Smelter Pipeline Reservoir Headgate Replacement Project

Request for Proposal

Qualified firms or consortiums are invited to submit a proposal to the Center of Colorado Water Conservancy District “CCWCD” for the removal of an existing water diversion headgate structure and construction of a new headgate structure at the Smelter Pipeline Reservoir located outside the Town of Alma on County Road 12. The project will include construction of a temporary water diversion in Mosquito Creek, demolition and removal of existing concrete structure, construction of new concrete headgate structure and connecting it to the existing pipeline. The successful bidder will work with CCWCD’s manager and engineering firm to complete the project.

- Advertise RFP- Friday, April 4, 2025
- Mandatory pre-bid tour will meet at CCWCD’s office: 548 Front Street, Fairplay, CO, and proceed to the project site: 618 County Road 12, Alma, CO on April 22, 2025 at 10:00 AM.
- Bids must be submitted by 5:00 PM on Friday, May 9, 2025 at CCWCD’s office at 548 Front Street, Fairplay, CO, or via email to: ccwcd2023@gmail.com with copy to lisabardenbrown@gmail.com
